Terms of sale:

* Flights taken, and not paid for before the purchase of a package cannot be included in the package price.

* In order to benefit from the advantages offered by the package, the pilot must at all times be in a positive balance. All the hours flown in excess of the package will be charged at the full hourly rate. The pilot will be informed about his/her balance on request.

* Each package is associated with one unique type of aircraft. Hours flown on another type of aircraft will not be withdrawn from the package.
